Screw UV Rated (100 Pk)

### Coax Tools

Compression Tool for use with  
compression type connectors.

Hex Crimp Tool RG-59, RG 6 & RG  
11

Compression Tool "F". BNC, RCA

Coax Cable Stripper 3 Blades  
Coax Cable Stripper 2 Blades

### Installation Hardware

Service Enclosure Box(Plastic  
Lockable) 6"x8"x2 3/4"

J Hook Installation Arm 36 " Ideal  
for satellite and wireless Antenna  
installations

18" x 24" Base Non-Penetrating Roof  
Mount(NPRM)

Uses 6 standard size cement blocks  
(block are not included)

3 FT. galvanized tripod, for Antennas,  
satellite, Dish and wireless antenna  
installations

### **Whole Home Distribution (Telephone, CATV, Broadband)**

Fast Media Home Network Systems Modules integrates, manages and distributes secure and reliable connections for broadband, voice, video, data and audio applications on a flexible, customizable platform. White textured power coated corrosion resistant finish sturdy 18 gauge cold rolled steel, RFI shielding. Nylon pins snap modules into place without tools.

### **Network Enclosures**

Fast Home Small Surface Mount Enclosure 7"x11"x3 5/16"

Fast Home Large Surface Mount Enclosure 15"x19"x4 5/16"

Fast Home Small Flush Mount Enclosure 14 3/8"x19"x3 1/2"

Fast Home Large Flush Mount Enclosure 14 3/8"x44"x3 1/2"

Data Termination Hub 8 Locations

Telephone Hub 4 lines to 6 rooms

TV Combiner/ Splitter Module

combines 2 CATV lines to 6 rooms and allows insertion of a camera feed from a RF modulator includes AC transformer

Audio Splitter Module Distributes 2 Channels to 6 rooms

AC Power Module 2 Port
